Subject: RE: Wilcox Oil Company Superfund Site Visit
Date: Friday, March 18, 2016 10:13:05 AM

Hello Rebekah,

The Muscogee (Creek) Nation Historic and Cultural Preservation Department appreciates the continued updates regarding the Wilcox Superfund Site. The EPA consulted with us early on in the process and we were able to visit the site back in the fall. At that time, we were able to discern that there were no traditional cultural properties located within the project area. Due to this, the Muscogee (Creek) Nation Historic and Cultural Preservation Department has no objections to the proposed project and offers their concurrence. If you have any questions concerning this, please do not hesitate to contact me at (918)732-7852 or by email at lwendt@mcn-nsn.gov.

Thank you,
LeeAnne Wendt
